

Declaration of Conformity

Series Anglocap Pharma-Tech
Version 25_202_EN
Date 13.05.2025

Declaration of conformity according to Annex IV of the EU directive 10/2011

(1) PHACOTEC Produkt-Service GmbH, Heegbarg 14, 22391 Hamburg

(2) Pharma-Tech, Messingvej 23, 8940 Randers SV (DK)

(3) LDPE

(4) 13.05.2025

(5) The manufacturer (2) declares that the plastic materials or articles, the products from intermediate stages of manufacture or the substances comply with the relevant requirements of the updated Regulation EU 10/2011, the Framework Regulation (EC) No 1935/2004 or No 2015/174 respectively

(6) Substances with SML or QM values or substances with a specific migration limit shall be used for colouring the final product. Compliance with the limit values is confirmed for the specified food types and application conditions.

(7) The raw material (3) and/or the pigments for colouring may contain the following dual-use additives:

- E470a (calcium salts of fatty acids)
- E171

The specific migration and/or the total migration are below the legal limits when applied according to specifications.

(8) The material is suitable for dry, non-fatty foodstuffs (at a filling temperature < 40°C and long-term storage < 40°C).

Ratio of food contact surface area to volume used to establish the compliance of the material or article: 11,7 dm² per 1 kg of food.

In addition to the data provided, we recommend the customer to perform further tests and analyses himself to determine whether the packaging used is suitable for the particular application. The customer is obliged to check whether the final product, i.e. the packaging with a particular application, meets all safety and legal requirements.

(9) Multilayer materials are not used.

Applies to the following products
