

## Declaration of Conformity

Series           Löffel H&K Müller  
Version         25\_202\_EN  
Date            13.05.2025

---

Declaration of conformity according to Annex IV of the EU directive 10/2011

(1) PHACOTEC Produkt-Service GmbH, Heegbarg 14, 22391 Hamburg

(2) H&K Müller GmbH, Alsbacher Eichen 1, 51766 Engelskirchen (DE)

(3) PP or PS

(4) 13.05.2025

(5) The manufacturer (2) declares that the plastic materials or articles, the products from intermediate stages of manufacture or the substances comply with the relevant requirements of the updated Regulation EU 10/2011, the Framework Regulation (EC) No 1935/2004 or No 2015/174 respectively

(6) The final product shall be manufactured using substances with SML or QM values or substances with specific migration limits. Compliance with the limit values is confirmed for the specified food types and conditions of use.

(7) The raw material (3) and/or the pigments for colouring may contain the following dual-use additives:

- E470a (calcium salts of fatty acids)
- E471, E475, E533b

The specific migration and/or the total migration are below the legal limits when used as specified.

(8) The material is suitable for all types of food (at a filling temperature < 70°C and long-term storage of more than 6 months at room temperature and below).

Ratio of food contact surface area to volume used to establish the compliance of the material or article:

- Article 922003 0,36 dm<sup>2</sup> per measuring spoon
- Article 922005 0,43 dm<sup>2</sup> per measuring spoon
- Article 922020 0,81 dm<sup>2</sup> per measuring spoon

In addition to the data provided, we recommend the customer to perform further tests and analyses himself to determine whether the packaging used is suitable for the particular application. The customer is obliged to check whether the final product, i.e. the packaging with a particular application, meets all safety and legal requirements.

(9) Multilayer materials are not used.

Applies to the following products

922003 922005 922008 922010 922015 922020 922025 922030 922110 923005
